News from Ellenboro Elementary School

December 2017

## **HERE'S WHAT'S HAPPENING...**

### **December 5th**

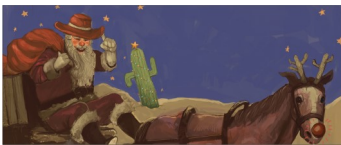

**Story Time with Santa** We hope you and your child will join us on Tuesday, December 5th at 6:00pm. Kids can have their picture made with Santa and make a craft to take home.

### **December 12th**

1st grade Christmas Program

### **A Western Country Christmas**

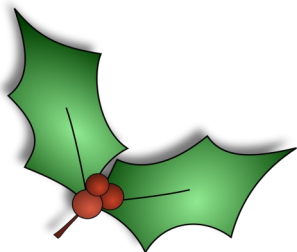

Show starts at 6:30pm

### **December 21st-January 1st**

Christmas Break

No School

### **From the principal...**

I hope that everyone had a great Thanksgiving Break! We here at Ellenboro Elementary have a lot to be thankful for. We are thankful for fantastic students, a great staff, and a very supportive community.

As we near the Christmas holidays I want to say congratulations to our students and staff on bringing in 3,141 cans of food for the Salvation Army. This is one way the students can give back to the community and feel the spirit of giving to others. We exceeded our can food goal this year! Thank you parents for all your support with our can food drive!

We hope to see all of you at Story Time with Santa on December 5th at 6:00. We are looking forward to the 1st grade Christmas program on December 12th at 6:30. The 1st grade students have been working really hard and I know they will do an excellent job. I want to wish all of you a very Merry Christmas and a Happy New year!

-Bill Bass

### **We Need Your Box Tops!**

Box tops can be found on many of the items you use each day. Clip the box top coupon from the box or package. Send them to school in a baggie. Have your child turn them in at the office. Each box top is worth 10 cents for our school.

**50 Box tops = \$5.00**

## First Grade News

First Grade is having an exciting time at school! Our students are getting ready for our Christmas Play, A Western Country Christmas, to be preformed on December 12 for students, parents, and community members. On December 14, they will preform for the local Senior Center. In math, students are excited to beat the clock during our "fast math" practice. They have two minutes to complete a math sheet in order to go up to the next level. In Social Studies, we are learning about goods and services in our community. We will also be learning about the rules in our community and community workers. Students have been learning about living and nonliving things in science, specifically plants and animals. They got to visit the animals they have learned about at the Greenville Zoo. We have also been learning about different animals by reading "A Nest Full of Eggs" and "Are You My Mother?". We are so excited for the

upcoming holiday season and we can't wait to learn about the different Christmas cultures and traditions that people from all over the world practice! We hope everyone has a Happy Holiday season in the coming weeks!

## School Counseling Corner

**Hello First Grade Parents! My name is Jennifer Brunson and I am the School Counselor here at Ellenboro Elementary. I have many responsibilities at school, but one of my favorites is visiting each room for classroom guidance!**

**Classroom guidance activities are designed to help students be successful and get along in the classroom. Guidance lessons are intended for all students and do not require students to reveal any personal information. Each class in grades K-5 will receive 10 lessons this year related to a theme chosen with the help of each grade level.**

It's not too late to link your Ingles Advantage Card to

Ellenboro Elementary.

If you have access to the internet, please visit [www.ingles-markets.com](http://www.ingles-markets.com).

Click on the Tools for Schools link at the top and then Click Sign Up Now. It will prompt you to enter the information needed and you will be on your way to helping our school purchase supplies for our classrooms. Be sure to use your card every time you shop at Ingles and thank you in advance for supporting our school!
